

SHOW RULES AND REGULATIONS for TABLETOP Exhibit Show

It is recommended that all show participants read and understand the rules and regulations as well as the schedule of entries. Any questions should be addressed to the SHOW CHAIR. In addition to the rules and regulations contained in this show schedule, applicable portions of the most recent edition of the *AOS Handbook on Judging and Exhibition* will be followed.

GENERAL

1. **Authority.** The decision of the Chair of Judges is final with respect to all ribbons, trophies, and awards. The decision of the Show Chair is final with respect to all other matters.
2. **Compliance.** Any person complying with these rules and regulations may participate in the show.
3. **Attendance during judging.** During judging, positively no one is permitted within the exhibit area except persons participating directly in the judging process.
4. **Damage to property.** Neither the show committee, the host society, the company or persons controlling the show site nor the Southwest Regional Orchid Growers Association (SWROGA) will be responsible for damage to plants, flowers, display material and trophies. However, all reasonable care will be taken to avoid damage or loss of property.
5. **Diseases and pests.** For your protection, any plant showing evidence of being diseased or having pests will not be permitted and must be removed from the premises. Removal recommendation must be by three or more certified judges. This also applies to plants for sale by commercial exhibitors.

JUDGING

General. All plants and flowers will be considered for recognition based on present quality, without regard to previous awards. To maintain highly competitive standards, no trophies or other recognition will be awarded if, in the judge's opinion, the flower, plant, or exhibit does not warrant such recognition. Judges may subdivide or add additional classes or awards at their discretion.

1. **American Orchid Society (AOS) Awards.** This show has been approved for AOS judging. All flowers, whether entered for judging or not, will be considered for AOS awards unless otherwise marked by the exhibitor. If an inflorescence has previously been exhibited at an AOS function, it is considered to

have been screened and, therefore, is not eligible for further consideration. It should be marked "Not for AOS judging". This will not disqualify the flower from consideration in the proper ribbon or trophy class. Submission of plants or cut flowers for judging shall obligate the exhibitor to accept any award granted and to pay any fees connected with such an award except where he has clearly indicated before the judging that his entry is not to be AOS judged.

2. **Ribbon Judging.** First, Second and Third place ribbons may be awarded to the three best plants in each class other than a trophy class. All plants and cut flowers must be correctly entered in the appropriate class, or reclassified by a judge, to be eligible for ribbon judging. Exhibitors will enter their plants using standard SWROGA tags. The carbon copy goes on the plant and the original copy goes to the Plant Registration Desk. Tags should show parentage, clonal name if assigned, and previous awards to the clone (see rule 9). Each plant should be entered in ONE class only (except a miniature, which may be entered both in its regular class and in class 716). An addendum to this schedule entitled "An Alphabetical Listing of Orchid Species and Intergeneric Hybrids" is available at the Plant Registration Desk with suggestions for classification. Where a plant could conceivably fit more than one class, the exhibitor shall enter it in the first applicable class listed. A mericlone will be considered a vegetative division of the original plant and must be treated as such. If a plant is a mericlone, it should be so designated and the clonal name given. Species classes will include natural hybrids. All plants entered must be in bloom except those in class 714. Criteria employed in ribbon class definitions refer to characteristics prevailing for mature plants grown according to normal horticultural practice.
3. **Reclassify Entries.** Improperly entered plants may be reclassified at the discretion of the judges at any show.
4. **Trophy Eligibility.** Unless otherwise specified within this schedule, all trophies are open to all exhibitors in this show if the exhibit is entered properly and complies with the show rules in this schedule.

5. **Plant and Flower Trophies.** This schedule contains several trophy classes for Best Grown and Best Flower of a group of ribbon classes as well as other special trophies. Plants and flowers must be entered for ribbon judging to be eligible for these trophies and no separate or further entry is required. In judging for best-grown plant in each class so specified, good culture, number of growths, and number of flowers are to be considered, not necessarily the quality of flowers.
6. **Exhibit Trophies.** Each exhibit may be entered in one class only. All exhibits must be entered on standard SWROGA tags. The carbon copy goes on the exhibit and the original goes to the Plant Registration Desk. All exhibits will automatically be considered for the AOS Show Trophy and will be judged according to the criteria in the most recent edition of the AOS *Handbook on Judging and Exhibition*. Plants and cut flowers may be combined in any exhibit without affecting ribbon or award judging, but the exhibit must be designated either "Plant" or "Cut Flower" for trophy consideration. Exhibits other than commercial, group, or societies, which are predominantly cut flowers, should be entered in class 934.
7. **Artificial Materials.** All displays should have orchids as the focal point. The use of foliage is encouraged and an occasional non-orchid flower(s) that is not a focal point should not disqualify the display. No artificial plant material may be used other than artificial grass. No dyed or artificially colored or sprayed orchids are permitted.
8. **Classification.** For trophy classes 920-948, the following definitions will apply:
 - a. **Tabletop Exhibit**-- is defined as an exhibit in which all flowers, plants, foliage, and accessories are arranged and exhibited within the confines of a tabletop.
 - b. **Novice** — One who has never before entered an individual exhibit in an orchid show.
 - c. **Amateur** — One who has less than 500 sq. ft. of growing area or greenhouse.
 - d. **Private** — One who has 500 sq. ft. or more of growing area or greenhouse.
 - e. **Commercial** — One who grows plants and/or flowers for sale, with or without employed help, and is generally recognized as a significant source of flowers and plants. Any exhibit which is predominately furnished by a commercial grower shall be classified as a commercial exhibit. Any person selling at a show is considered as commercial at that show.

- f. **Group/Society** — If an exhibit contains entries from two or more individuals who are not members of the same household, it must be entered as a group or society exhibit. Each person involved is an exhibitor. If the predominate part of the exhibit is furnished by a commercial grower, the exhibit shall be classified as commercial.

9. **Entry Tags.** Instructions for completing entry tags:
 - a. Obtain an exhibit number and entry tags at the Plant Registration Desk.
 - b. Complete the entry tag as shown below. Class numbers should correspond to the Show Schedule. Entry tags must be printed legibly and show plant name, a clonal name if designated, and any previous awards. Hybrids must show parentage.
 - c. The original copy of the entry tag goes to the Plant Registration Desk and the carbon copy is attached to the plant or exhibit.

The following is an example of a completed tag:

	CLASS	EXHIBIT #	LTR
Phal. Goodgirl 'Katherine' FCC/AOS			
NAME	VARIETY	AWARD (S)

Note: For all group and society exhibits, an alphabetical letter is assigned to each exhibitor for identification. A listing of these is given to the Plant Registration Desk. This letter is entered as above. Never show the name of any exhibitor on the tag.

SPECIAL TROPHIES — NO ENTRY REQUIRED

Note: If, in the opinion of the judges, no exhibit merits the following trophies, the trophies will be withheld. It is not the intent that the awarding be obligatory.

950. AOS Trophy.

All certified AOS judges present, who are not involved in competition for the award, may vote by means of a secret, written ballot. To qualify for the trophy, two-thirds of the voting judges must vote in favor of some exhibit. If more than one third of the voting judges vote "No Award", the trophy shall not be awarded. The exhibit that receives the highest number of votes shall win the trophy. If a tie in votes exists between two or more exhibits, the exhibit with the highest score shall win. If a tie still exists, the chair of AOS judging, if eligible, shall cast the tie-breaking vote. If the chair is not eligible to vote, a designated reserve judge shall break the tie. Further information is contained in 6.3.2 of the *AOS Handbook on Judging and Exhibition*. To be eligible to receive this award a total of 80 points must be received.

954. Orchid Digest Show Trophy.

This award is given to encourage the growing of better quality hybrids and species and to encourage their better culture.

The Orchid Digest Show Trophy may be awarded by a team consisting of a minimum of five judges, accredited where possible, to one non-commercial exhibit displaying the highest levels of:

- A. artistry, taste, and innovation in design and presentation;
- B. flower quality;
- C. cultural excellence.

Judges may also consider the exhibit's educational value and the rarity of the plant materials. The definition of "high flower quality" is to be taken from the most recent edition of AOS judging forms for hybrids and species.

960. SWROGA Show Trophy for Best Flower

This trophy will be awarded to the plant or cut flower judged the "Best Flower in Show". The plant or cut flower will be selected from the Best Flower classes in the SWROGA Schedule. The trophy will be awarded by a team of five accredited AOS judges, who do not have a personal conflict. If five such judges are not available, the trophy may be given by the qualifying judges present.
